First names and emails separated by comma, add more using semi-colon (;)

John,johndoe@example.com;Jane ,janesmith@example.com;Mark ,markjohnson@example.com

Purpose

Invitation to try out our new product R2D2

Context

A screenshot of a dark-themed form interface. The form has three main sections. The first section is titled 'First names and emails separated by comma, add more using semi-colon (;)' and contains the text 'John,johndoe@example.com;Jane ,janesmith@example.com;Mark ,markjohnson@example.com'. The second section is titled 'Purpose' and contains the text 'Invitation to try out our new product R2D2'. The third section is titled 'Context' and is currently empty, with a blue cursor icon positioned at the end of the text input field. A blue circle highlights the 'Context' label.

7 Write more context to fill the content.
